

Elise Tran

Web designer

elise@example.com · Providence, Rhode Island

I design and build websites for independent shops, cafes and studios. Eight years in, I still test every site on the oldest phone I can find.

EXPERIENCE

Independent web designer

2021 – Present

Elise Tran Studio · Providence, RI

Design, build and care plans for small businesses across New England - 41 sites launched so far.

Senior designer

2018 – 2021

Halyard Studio · Boston, MA

Led web projects for restaurants, museums and two regional retailers, from first sitemap to launch.

Junior web designer

2016 – 2018

Brightline Digital · Providence, RI

Built and maintained marketing sites, and learned to write CSS that other people could read.

EDUCATION

BFA, Graphic Design

2012 – 2016

Ocean State College of Art · Providence, RI

Thesis on wayfinding for small public libraries.

Certificate in Web Accessibility

2019 – 2019

Open Web Institute · Online

A ten-week course in testing and fixing sites for screen readers and keyboards.
